

The 1st rule when selling a license is to ask for the Driver's License or Non-driver's ID
For the purpose of hunting and fishing licenses, residency is determined by the Driver's License Issuance

Under no circumstance shall a resident of another state (except military personnel) be issued an Alabama resident license even if that person is able to produce any of the Alabama residency documents.

Age Requirements for Licenses:

- Residents: Ages 16-64
- Non-Residents: Ages 16 and over

Those Exempt from Purchasing a License:

- Everyone under 16 years of age (resident and nonresident)
- AL residents 65 and over
- An Alabama Resident Landowner
- Military Resident home on leave (must have copy of leave orders)

***MANDATORY REPORTING
OF DEER AND TURKEY HARVEST***

Hunters are required to report their deer and turkey harvest through the GAME CHECK system. If you are one of the above hunters that are exempt from purchasing a hunting license then you would obtain the **GAME CHECK H.E.L.P LICENSE** in order to report your harvest. This license can be obtained at any Probate or License Commission Office, any local license agent or at www.outdooralabama.com.
